Respected Sir,

Namaste !

After completing ten day's residential VIPASSANA meditation course, we all experience gratitude for Pujya Goyenka Guruji and also deep sense of wish & will to make this wonderful technique available to our near & dear ones....

It is this spirit which has manifested DhammaJalgaon VIPPASSANA Meditation Center at Umale JALGAON. Presently 10 days residential courses are continuously being held since 2015 with all arrangements for 32 meditators ie. sadhaks. The inflow for participating is also increasing day by day. This development is a result of infinite mangal maîtree of Pujya Goyenka

Guruji & Mataji and donation of dhammatarang, seva of all those who meditated on this land.

Recently additional 7.5 acre land which is not only a hill top but also adjacent to existing center has been Purchased. Hence upcoming expansion plan for 75 male & 75 female meditators having residences, meditation hall, kitchen, dining hall, pagoda has been prepared.

Many meditators will meditate and earn merits on this dhammaland for many years..You can also earn merits by donating at this Tapobhumi either financially or in kind or by seva.
